Pure Altar Wines

Approved by His Excellency, the Bishop of Santa Rosa
THE MOST REVEREND LEO T. MAHER, D.D.

SINCE 1876, BERINGER BROTHERS have endeavored to produce Sacramental Wines of quality so high as to make them always worthy of the sacred purpose they serve.

With the accumulated knowledge attained through NINETY-FOUR years of wine making in California, plus the ripened experience handed down by their fathers before them as growers and makers of fine wines in Europe, BERINGER BROTHERS are today more competent than ever for this important work.

The high reputation that we enjoy as producers, in their entirety, of California's ranking Altar Wines, has been made possible by your preference for quality. In what better way can we express our gratitude for your support than to continue to deserve it during the years ahead by constantly striving to produce the finest and purest vintages?

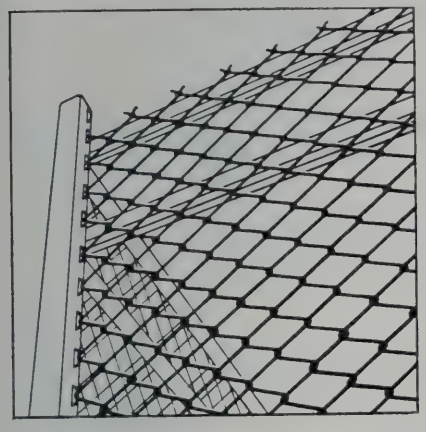
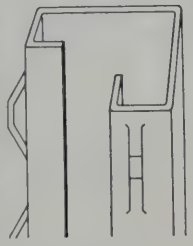
USS Cyclone...the best protection against vandals and thieves



Protect Church Property

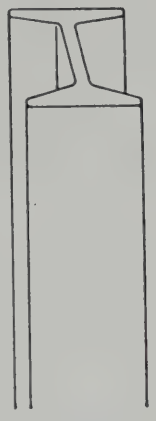
Keep children safe while playing in parochial playgrounds. Keep church property safe from vandals and thieves. Use CYCLONE Fence, the world's best and most widely used security fence.

USS Cyclone Type II



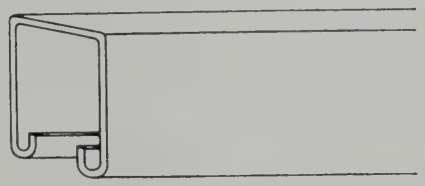
a breakthrough in fence design

The new design of CYCLONE Type II makes it better looking, more functional, stronger, and easier to maintain. Because it has fewer parts, fewer nuts and bolts, it is more difficult to climb (no handholds or footholds), more difficult to take apart, and has a smart, modern appearance.



The terminal post

The stronger, neater, one-piece terminal post is self-draining and self-ventilating, thus preventing corrosion of the interior surfaces. The chain link fabric is *woven*, not bolted, into lock loops on the terminal post. Each loop along the entire length of the post has 1200 pounds holding power. Rails and braces are rigidly attached and stay snug.



The line post

Designed like a beam, the solid H-column line post keeps the fence rigid and straight, has no inside surfaces to corrode, and makes a tight bond with concrete. The standard H-post weighs 2.7 lb/lin. ft. and is stronger than 2⅜ in. OD pipe. The H-post is also available at 4.1 lb/lin. ft.

The top rail

The square configuration of the top rail is more functional, provides greater strength, and has a crisp appearance. It helps give CYCLONE Type II a clean, "architectural" look.

USS Cyclone Type I

the original

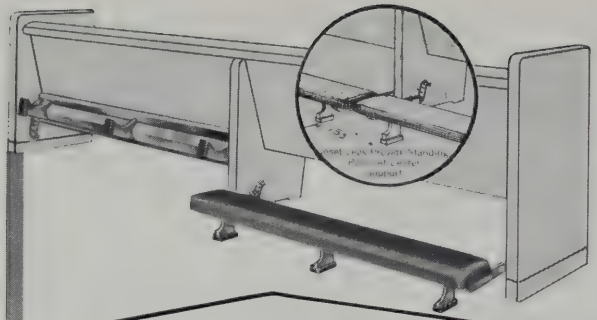
This is the familiar CYCLONE chain link fence with tubular terminal posts and rails and solid H-column line posts. It is the most widely used chain link fence in the world. The only fence that surpasses it in beauty, design and easy maintenance is the CYCLONE Type II.

USS Cyclone Rustake

the fence within a fence

RUSTAKE is a protective and decorative fence all in one. It is a combination of tough CYCLONE chain link fabric and handsome durable California redwood vertical strips. RUSTAKE offers a combination of durability, rustic beauty, and privacy unmatched by any other fence system.

Availability



All three types of USS CYCLONE steel chain link fence are available in different styles and heights. You may specify either aluminum-coated or galvanized steel fabric. The aluminum coating lasts 3 to 5 times longer than galvanized, and minimizes future maintenance.

FOLDING PARTITIONS and WARDROBES

provide flexibility in the unique "School in the Round"

FLOOR PLAN

Photo illustrates effective use of R-W Folding Partitions and Wardrobes in the Our Lady of Good Counsel School, Chicago, Illinois. Architects: Kefer and Cronin, A.I.A., Chicago, Illinois.

This school graphically illustrates a fresh and vital approach to elementary school design. One of the outstanding features of the design is the flexibility provided by the R-W Folding Partitions used to separate three classrooms and the stage. This provides a multi-purpose area that can be used for classrooms, for large assembly groups or as an auditorium for special events. R-W Wardrobes were utilized in each classroom to provide practical storage facilities.

This school provides a classic example of how modern design concepts are best achieved with R-W Folding Partitions—*a time-proven* product.

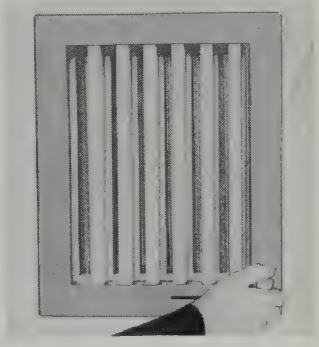
The definitive
Catholic reference
of our time

The NEW CATHOLIC ENCYCLOPEDIA

An extraordinary publishing venture — far greater in scope, timeliness, and significance than any other Catholic publishing project in this century — has been undertaken by the McGraw-Hill Book Company. It is the *New Catholic Encyclopedia* which covers in 15 handsome volumes an unparalleled range of subject matter. Not only does this monumental work provide complete information on the doctrine, organization, and history of the Catholic Church from its earliest antecedents to the reign of Pope Paul VI, but it also examines the philosophies, religions, institutions, persons, and developments that have affected Catholicism in the past and are of profound concern today.



Sponsored by the Bishops of the United States, and dedicated to His Holiness Pope Paul VI, this magnificent work contains fully 17,000 articles written by 4,800 specialists throughout the world. In all, there are more than 15,000,000 words, and 7,500 superb illustrations, providing a virtual "gallery of art" — ranging from the great painting and sculpture of the past centuries to portraits of renowned Catholic leaders. Also included are some 300 original maps, and 100,000 bibliographic citations unmatched in their thoroughness. Published in cooperation with the Catholic University of America, this comprehensive work is the most complete and definitive reference of its kind ever produced — for the classroom, the library, or the church. For complete information and details of the special institutional price, write to the McGraw-Hill Book Company, 330 West 42nd Street, New York, N. Y. 10036.

WARP'S
REVIEW-WORKBOOKS

Make Teaching Results Immediate

Tuned in with the times, which are moving so swiftly it is often difficult to keep pace, is every one of the WARP'S REVIEW-WORKBOOKS for the Fifth, Sixth, Seventh, and Eighth Grades. And that really explains why they add so swiftly to the process of communication you set in motion each time you face your classes.

The old methods of teaching, with their slow pace, their even tenor, their time-lag will no longer do. Nowadays your communication must be as swift as it is sure—and it must be both sure and swift if your teaching is to have complete approval in today's teaching world.

The method, which WARP'S REVIEW-WORKBOOKS employ in bringing about this swift and sure communication, is one which has the backing of fifty years of intensive use in schools all over America and in Canada and other parts of the world. The method, which is based essentially upon scientific principles of teaching that are ageless, that are unchanging, that are as new as when they were discovered, has become known as the *Warp Teaching in Depth Method.*

This Method makes every day in the classroom a day of accomplishment, because it makes the process of communication upon which all teaching depends, swifter, surer, more lasting in its effect.

Pupils taught with WARP'S REVIEW-WORKBOOKS are better taught than pupils without them. Write at once for free catalogue which describes in detail each book. Request information on the MODERN ENGLISH GRAMMAR for High School and YOUR CAREER a new Guidance Book for students.

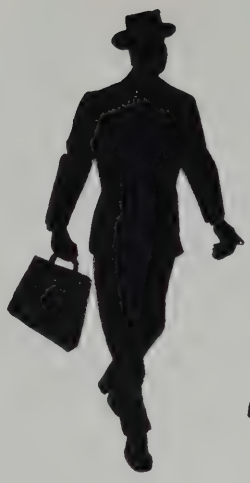
YOU MAY BE ONE IN A THOUSAND

Only about one out of every thousand readers of this ad will find *Overview* the answer to a pressing problem—the problem of not just keeping up with the Church but seeing what's ahead as well. You may be that one.

Overview is for you if you are in a position of teaching and influencing and have the responsibility of guiding others.

Overview is for you if you know you should be keeping up by reading the hundreds of books, newspapers and magazines, Catholic and other but cannot find the time to read even the minimum number of the most important.



Overview is for you if you should or would like to know not only what is happening in the Church around the world but what is likely to happen.

Overview is for you if you would like to be in touch with the opinions and trends in the Church at the time when they mean the most and not weeks or months later.

Overview is for you if you want a single publication that gives a comprehensive, accurate, reliable and concise report on trends and opinion in the Church culled from the hundreds of religious and general newspapers, books and magazines (from *Playboy* to *L'Osservatore Romano,* from diocesan newspapers to *Continuum*—including publications from the U.S., Canada and Europe). It is edited by Dan Herr, who has established a distinguished reputation as one of the most highly respected commentators on the life of the Church in this country.

Overview is in letter-size format from four to six pages. Special "Close-Up" reports by experts such as Martin Marty, Andrew Greeley, Rosemary Haughton, Eugene Kennedy and parodies by Joel Wells zero in on particular subjects. Overview is published on the first and fifteenth of every month and comes to you by first class mail to insure immediacy. It costs $15 a year ($5 extra for foreign subscriptions to be sent air mail). Please write for a sample issue.

Church Art

CALENDAR FOR 1971

WE HAVE MADE significant changes in the new 1971 Church Art Catholic calendar—new designs and new modern artwork to keep pace with these modern times. THE MESSENGER CHURCH ART CALENDAR WILL ALWAYS BE CURRENT AND LITURGICALLY CORRECT. Its thirteen colorful art reproductions are larger in size—more appealing than ever. The calendar features daily Bible verses, days of fast and abstinence, daily vestment colors, the liturgical Church year and a handy space for daily memorandums. The calendar carries the Imprimatur of a prominent Bishop. A free copy is available upon request.

1 CHURCH GOODS DEALERS sell a substantial volume of these calendars which are nationally advertised and will bring people into your store. It is an excellent profit item. It is the most popular Catholic Calendar available. Write for attractive displays.

2 RELIGIOUS INSTITUTIONS AND PUBLISHERS use them as gifts to donors and benefactors. Calendars are an excellent means of acquainting people with your religious appeal offering YOUR OWN MESSAGE on each page. Contributions help expenses.

3 CHURCH IMPRINTS: Pastors can raise funds for their Church by permitting Church Societies to sell the calendar at a good profit. Also, when wanted, complete church imprint showing hours of services, etc., can be provided on the cover or monthly pages.

4 CATHOLIC CHRISTMAS AND ALL-OCCASION boxed card assortments of our own designs, very distinctive and beautiful. We welcome inquiries from charitable and religious institutions for special assortments for fund raising and appeal programs.

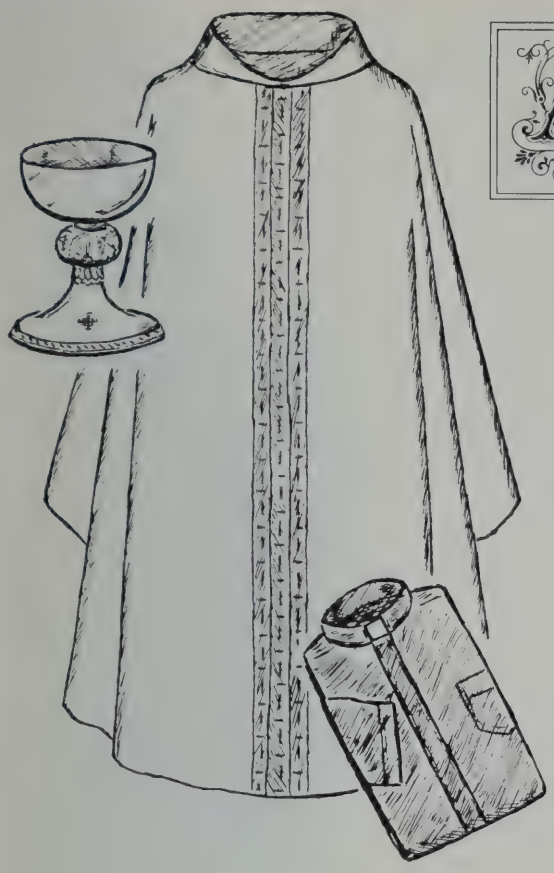
FUND RAISING CANVASS

what then?

Successful fund raising is based not on an abbreviated canvass, but on a continuing program—predicated on giving as an act of devotion and imbedded as an integral element of the family's religious experience. To this end, a proper program must be so organized that its work may continue long after the initial canvass is concluded.



Post-canvass follow-through, however, must be conducted with tact and understanding, since arrearage—whatever the cause—creates embarrassment on the part of the giver. Training in the techniques of handling these cases is but one major facet of the thorough financial counseling offered by James W. Shaver, Incorporated.

Our experienced staff is available on a nation-wide basis to conduct your fund-raising program with taste and integrity. For further information or discussion, write us or call collect.
